“My Dancing Day” is a sprightly tune from the *Oxford Book of Carols*. The complete lyrics can be found there or at www.google.com (type in “My Dancing Day” in quotation marks). Besides being a lovely centuries-old tune and a great little guitar solo, the 11 stanzas of lyrics portray the life of Jesus from birth through the Easter passiontide. It is a great tune for several times of the liturgical year, and especially great on Easter morning. It also makes a sprightly dance anytime! –Mark Hanson
